

# Exclusive INVITATION

FOR AGRICULTURE INDUSTRY EXECUTIVES

## APEX EXECUTIVE LEADERSHIP SUMMIT

5-Star Accommodations  
The Lodge and Ranch at Chama

August 11 - 16, 2024

EVENT HOSTED BY AO4S

# MDR APEX EXECUTIVE LEADERSHIP SUMMIT

At AO4S, we are pleased to be your exclusive sponsor for this *unparalleled* leadership event and are excited to extend this *exclusive* invitation to you.

The Apex Executive Leadership Summit is brought to you by **MDR Coaching & Consulting, Inc.**, and will be facilitated by its founder, Michelle Reines. The learning sessions feature 3-days of intense interactive leadership content focused on supporting the distinctive responsibility of executive-level leaders.

During this intensive and interactive journey, you will delve into the intricacies of leading from the pinnacle. You'll gain invaluable insights into best practices regarding our work as senior leaders in guiding our teams and objectives toward successful execution. You'll learn to immediately leverage essential leadership tools from a proven MDR arsenal.

# AGENDA

## M D R A P E X S U M M I T

### Monday Arrival Day: Late Afternoon Session Kick-off

- 3 pm - Executive-Level Catalyst™ Overview
  - You will learn how to leverage Catalyst™ to communicate more effectively, leading to healthier workplaces and greater productivity.

### Tuesday: Full-Day Session

- Crafting Vision, Building Alignment & Championing Execution
  - This framework aims to support executive leaders in their approach to leading one-to-many vs. one-to-one relationships.

### Wednesday: Morning Activity

- Morning - Chama Land & Cattle Company Tour
  - We will break up the week's session time with an amazing behind-the-scenes tour of the elk production ranch. *Unlike most enclosed herds, Chama's game park elk are a naturally sustaining population in true elk habitat. With little exception, bulls harvested here are born and raised on the same piece of ground. These elk live and are hunted in over 6,000 acres of rugged canyons, high valleys, ridges, and peaks.*

### Wednesday: Afternoon Session

- Building a Cohesive Leadership Team
  - You will learn five powerful principles that shape leaders' behavior and empower them to rewrite what it means to work together.

### Thursday: Morning Session

- Collaborative Problem-Solving
  - You will learn how to leverage a simple and unique tool to support a climate of clearer thinking, improved communication, and deepened creativity in brainstorming and problem-solving.

### Thursday: Late Morning/Afternoon Session

- Leveraging a Genius Productivity Tool
  - You will learn how to increase productivity, build more effective teams, lead better meetings, improve hiring, and boost morale while increasing joy and fulfillment in work.

### Friday Departure Day: Morning Wrap-up Session

- Action Planning & Closing Comments

\*Includes Custom MDR Apex Executive Leadership Summit Workbook

# ANTICIPATED OUTCOMES

- Achieve greater clarity and alignment towards organizational goals.

# MEET THE TRAINER

Michelle D. Reines is a coveted international speaker, leadership author, multipreneur, popular podcast guest, facilitator, executive coach, and founder of MDR Coaching & Consulting, Inc. She is an approved instructor for the American Association of Veterinary State Boards. Michelle serves the Animal Health Industry throughout North America and has been an independent leadership consultant for Zoetis, for over 10 years and formerly operated as a senior coach for their PeopleFirst division.

She is innovative, results-oriented and has a coveted reputation of helping teams exceed expectations in highly competitive, distressed, or volatile business climates. Her strengths encompass extensive people aptitudes from leading and developing large and varied teams. She possesses over 34 years of intense hands-on leadership, mentorship, organizational and operational expertise.

Michelle's extensive practical experience has been a unique benefit for her clients. She has an impressive resume of start-ups and turnaround successes, plus remarkable management competencies and a flair for building cohesive teams.

Michelle's consultative methodology focuses on supporting leaders in building, high-performance musketeer teams, resourceful in bringing operational visions to life and fostering a highly engaged, productive, sustainable, and scalable workplace culture. She is committed to partnering with her clients to help them develop effective tactics to maximize desired results, individually and collectively.
